Vyslající organizací pro české účastníky je Mladiinfo ČR. Co to znamená?

- Na tvé cestě tě budeme podporovat a se vším ti pomůžeme.
- S vybranými účastníky si domluvíme společný videocall, kde se česká skupina seznámí, vymění si kontakty a naplánuje společnou cestu.
- Společně vymyslíme plán propagace projektu, např. příspěvky na sociálních sítích či na našem webu.
- Kontaktovat nás můžeš na **kancelar@mladiinfo.cz**.

Neustále hledáme nové dobrovolníky!

Baví tě psát články, sleduješ trendy na sociálních sítích, zajímáš se o chod neziskové organizace jako je Mladiinfo? Neustále **hledáme šikovné lidi**, kteří mají zájem se zapojit. Dej nám o sobě **vědět**

DEAR PARTICIPANTS,

We are looking forward to meeting you at **Zasele** this summer! [Zasele](#) is a small village in Svoge Municipality, Sofia Province, western Bulgaria. It is located into the mountains, in the Iskar gorge. 45 km away from the capital city – Sofia.

1. What's the idea?

The main objective of the "**Green jobs - transition for a sustainable Europe (GJTSE)**" project is to improve the skills and competences of youth workers, in connection with the ecological transition of Europe and the transformation of workplaces towards green and sustainable practices. The training course will provide opportunities for the educational and professional development of the participants and it will help increase the capacity of the participating organizations in areas of strategic importance to the EU, paying special attention to rural development (sustainable agriculture, management of natural resources, water conservation, etc.).

2. How many days?

The training course starts on **31.08.2024 (Arrival day)** and ends on **08.09.2024 (Departure day)**. The 9-days training is constructed as: *motor exercises* (morning warm-up), *training part*, *reflection (feedback)* and *traditional evening*.

Day I (31.08.) - Welcoming the participants and presentation of the program.

Day II (01.09.) - Group dynamics and green team work: The goal is participants to get to know each other. A social initiative will also be carried out.

Day III (02.09.) - Green New Deal and green good practices: The goal is introduction (theoretical and practical) of the topic of the "green transition" of Europe and presenting good practices in the aspect of the labour market.

Day IV (03.09.)- Getting greener in the career: A discussion seminar introducing the topic of the career guidance towards green jobs. Models and good practices for professional realization in green professions will be presented. Each group ("organization") will develop a model of integrating a "green" profession".

Day V (04.09)- Rural, green and an entrepreneur in the wild: practical methods for working with young people in isolated/rural areas will be presented, with a focus on the green and the sustainable professions.

Day VI (05.09.) - Career orientation and sustaining in the wild: A seminar will be held on practices and methods for career counseling in environmentally oriented topics. After that, practical exercises and

games will be organized as method for working with young people outdoors in order of developing attitudes and skills for sustainable and nature-friendly actions.

Day VII (06.09.) - "Green jobs" - transition to a sustainable: A seminar on the topic of Europe's ecologically transition for becoming socially responsible and greener continent will be held, and after that the participants will take part in a workshop that presents models of acquiring "green skills" necessary for the sustainable living and professional realization of the young people.

Day VIII (07.09.) - Final presentation and topic conclusion. Participants will promote the results of the project among residents and stakeholders in the municipality.

Day IX (08.09.) – Departure

3. Who is coming?

Each national group will be presented by a group of **5 participants** (over 18 y.o.). The profile of the participants is youth workers, which includes participants whose professional realization (or volunteer work) is related to work with young people of different age groups, different social status, different ethnic origin, different sexual orientation, etc. At least 2 participants of each group should be inhabitants of rural/remote areas.

4. Arriving and accommodation

31st of August will be the arrival date. By 18.30 everybody has to be arrived at the meeting point: Svoge railway station (<https://razpisanie.bdz.bg/en/sofia/svoge>). From Svoge there will be organized transport to Zasele.
